

FLORIDA FIRE

Dear Business Owner,

March 2011

“Florida Fire-Team Thunder” is a 14 & Under Girls Fastpitch Softball Team made up of girls from Hillsborough County and Polk County. We are an aggressive and competitive travel ball organization preparing for the upcoming year. Our goals for the year include but are not limited to:

- *Compete and win in an ASA qualifier tournament*
- *Participate in ASA Nationals in Midland, TX*
- *Participate in USFA World Series in Panama City, FL*
- *Participate in various college showcase tournaments throughout the Southeast*

All of these help to build the futures for these exciting young women athletes. These girls put many hours weekly of hard work and practice into their schedules while continuing to strive academically and working towards college placement. We need your help and are currently looking for team sponsors so that financial constraints do not prevent any talented player from participating. All sponsorship money raised goes directly towards team equipment, uniforms, insurance and tournament entry fees. All coaches and staff work strictly as volunteers.

We will also have a team banner to recognize those companies or individuals that help to sponsor the team. The banner travels with the team wherever we go and is placed on the team dugout for display during tournament games. Sponsors will have their names displayed in various sizes based on contribution amount.

Please indicate amount of donation
